

# Trial Worksheet

---

Use the below chart to help you prepare what you want to share with the judge at your *trial*. Starting with the day you moved in, write in all the things that happened in the apartment that you might want to tell the judge about.

## Evidence Chart:

Date	Facts / Notes	Evidence	
		Documents/Photos	Witnesses
Example: 12/1/21	Saw a mouse for the first time. Informed my landlord by text message.	Screenshot of text messages	My mother who also saw the mouse that day.

## Trial Argument Outline:

Use the space below to write out how you want to explain to the judge why you think you should not be evicted. This is called your argument. First, summarize your main points. Then, go into more detail. Make sure to explain to the judge why you think any defenses you included in your Answer apply.
